

STRIKE 37 WALK AROUND

After two years of planning, Strike Yachts introduces its latest and greatest hard core fishing machine: the Strike 37 Walk Around. Creating a single-level walk around that affords 360° of fishability without the inconvenience of walking up stairs or tripping over unexpected obstacles was one of the main goals Strike had in mind when designing the 37. Two other major goals for the new build were to increase gunwale height around the walkway and provide a comfortable cabin. The cabin features a stand-up

SPECIFICATIONS

LOA	39'
BEAM	13'
DRAFT	2' 9"
GROSS WEIGHT	N/A
FUEL	350 U.S. GALS.
WATER	50 U.S. GALS
POWER	2 x CUMMINS @ 425 HP
CRUISE	30 KNOTS
TOP SPEED	34 KNOTS
RANGE	450 NM @ 30 KNOTS
MSRP	\$385,000

head and shower, a refrigerator in the galley, creative rod storage, a TV, and sleeping accommodations for up to

five. The 37 also boasts higher gunwales than usually found on a Strike design; providing comfort for taller individuals as they fish and increasing safety for children on board.

A sharp 54° entry and a 23° deadrise contribute to the 37's soft, dry ride. Propeller pockets allow for a more efficient shaft angle, which the company says directly translates into greater fuel economy. Prop pockets also deliver a reduced draft, which makes maneuvering in shallow waters a breeze. *Strike Yachts; (954) 782-8711; strikeyachts.com*
